

## Marker And Insulating strips

Marker Strips serve the dual purpose of affording additional insulation protection and serving as a method of terminal identification. Numbers are .125 high and are imprinted in white on dark surface and black on light surface. Double or Single screw blocks.

Marco Manufacturing Company produces Marker and Insulating Strips. In addition to doing our own high quality Silk Screen Printing on Marker Strips, We offer a custom silk Screening Service. Marco is known for immediate deliveries and quality workmanship. We are the headquarters for all your needs in Terminal Boards and related Hardware items.

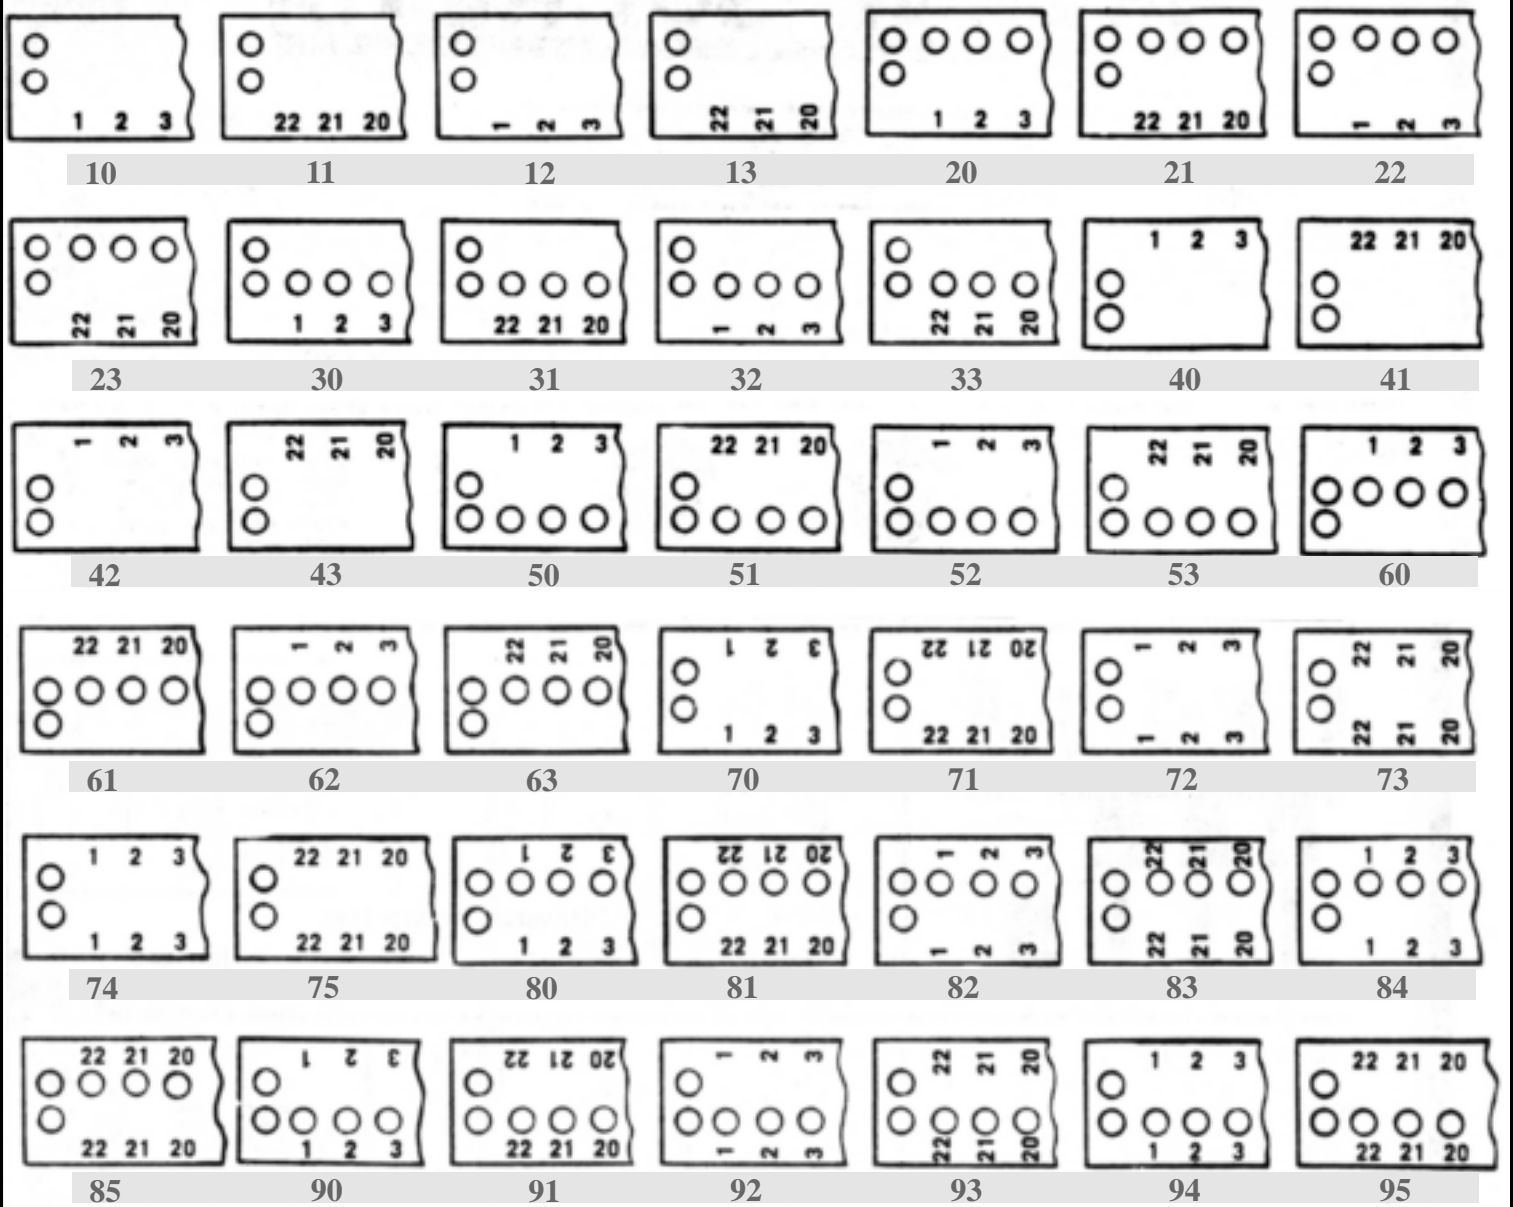

(ORDERING EXAMPLE) MS-3000-10-XXXP-10
